DEPENDING ON THE WOMEN

Wilbur Stiers Says it is Relief to
Have Their Backing—T. M.
Green Compliments Them

Rush county women will sell Loan bonds. They have entered the campaign with vim and determination. This was forecasted at the meeting of the women township heads for the Third Loan drive held in the director's room of the Rushville National bank yesterday afternoon when they were told exactly what a Liberty Loan bond is, how to sell Loan bonds, what the men's organization for selling the bonds expects of the women and what the County War organization expects of them.

Much is expected of them and their enthusiasm yesterday showed that they would "fill the bill" and more than measure up to the things expected of them during the weeks of the drive.

"There is no danger of doing too much in the third Liberty loan drive," stated T. M. Green, who as Chairman of the County Council of Defense and Chairman of the County War organization was asked to address the women. "The only way we can do enough is to decide to respond to every call that the government makes upon us. Our lot is a safe and an easy one compared to the lot of those who have gone across. I have the greatest admiration for the women of the county for the excellent work they are doing during this war. I wish there was some way that their accomplishments could be measured," stated Mr. Green.

Wilbur Stiers, vice-chairman of the County Loan organization, told the women that it was a relief to have their backing in the drive—that the men were counting on them for big things.

"The one big thing that we want the women to help us do," stated Mr. Stiers, "is to urge that persons buy bonds who have never bought them before. During the last drive only about 800 people out of the county's 19,000 bought Liberty bonds. The government doesn't intend for the bonds to be bought up by a few people—they want every one to participate and the women can be a big help in making sales to persons who are holding no bonds as well as those who have bonds of the first and second issue."

"If anybody could ever sell anything—they ought to be able to sell Liberty Loan bonds on this third drive," began E. B. Thomas in telling the women how to sell bonds. "First, in many cases, you have to create a market and show that buying bonds is to a person's own interest."

He showed what means the government could take to get money and that selling bonds was the very best of any for the citizen.

"Show, too, that it is a person's duty to buy government bonds," he said. "The government needs this money and asks that we loan it to them—that is enough. If everyone would volunteer to buy bonds and not have to be solicited and begged, the war would be shortened and lives would be saved."

Mr. Thomas answered a number of questions that the women brought up and explained clearly the details of bond sale and ownership.

County Council
Of Defense To
Get your Rating

That is, If You Are Able and Fail to Buy a Liberty Bond, the Organization Will Put You Down on Its Card Index. By This System Line Will Be Obtained on Every Person in County.

The County Council of Defense will "have your number" if you are able and fail to buy a Liberty Loan bond. They will know how many bonds you have bought on the first and second and third issues and why you have not bought them in case you haven't.

The card index system which has been used successfully in many counties in the state is being inaugurated here and will be completed at the end of the Third Loan drive. The cards will bear the name of each person in the county, their address, the amount of real estate owned by them, the mortgage, value of improvements, value of personal property, amount of First Liberty Loan bonds purchased, amount of the second bonds, who solicited for the Third issue, the amount subscribed and if not, why not.

The facts on the Loan bonds will be taken by the solicitors, who are to see every person in the county, and the remainder of the card will be filled by county officers. The cards will be on file with the County Council of Defense. Tan cards have been printed for the names of men of the county and blue cards for the names of the women.

LOAN DRIVE STARTS
WITH ENTHUSIASMPatriotic Meeting in Jackson Town-
ship Last Night Addressed by
Bond Workers

COMMITTEE HEADS NAMED

A rousing start was given the Liberty Loan drive in Jackson township at the patriotic meeting held in the Osborne school house last night when addresses were made by W. R. Jinnett of Manilla, Donald L. Smith and A. L. Gary. The school was crowded to hear the excellent talks. Mr. Jinnett dealt with the war situation in general and told of his experiences while in Germany. Mr. Smith gave a strong Liberty Loan talk and Mr. Gary spoke on the woman's part in the war. O. M. Siler presided over the meeting.

Albert Leisure will head the men of the township in the Liberty Loan drive and Miss Lyla Bowen will lead the women. Both are backed by strong organizations and have made extensive plans for soliciting the sale of bonds in their township.

ASKS HELP OF CHURCHES

State Council of Defense Wants Aid
in Liberty Loan Drive

That all educational and religious forces unite in advertising and endorsing the third Liberty Loan bond is the request sent out by the state Council of Defense and received by the local Council. The letter sent out by A. B. Storms, chairman of the committee of religious forces, suggested that ministers in all of the churches of the county make announcement of the opening of the drive on Sunday and that teachers and superintendents in the schools call attention of the children to the bond sale.

Said The Liberty Bond

To Him Who Wouldn't Buy

Well—What have you given to make the world sweet?
Have you staunched a red wound of your own?
Or softened his shriek to a moan?

Have you mounted a firing step—
—Heard the wild whine,
Or the thud of the Thing that is Death?
Have you fired a shot for this country of mine?
Don't answer—You're wasting your breath!
—Walter S. Greenough.

BUSINESS HOUSES
IN MAYS ROBBEDThieves Break into General Store,

ONLY FEW DOLLARS OBTAINED

Change Is Stolen as Every Place
Except Depot Where Nothing
Was Disturbed

Five business places in Mays were broken into last night, by robbers and money taken from four of them, the pool room, the postoffice, Wilson's general store and the drug store. The robbers also entered the railroad station but took nothing.

It is evident that they were after money and money alone for there was no disturbance in any of the places aside from the money being taken. About \$12 was taken from the pool room; \$4 in stamps and change from the postoffice; between 75 cents and a dollar in pennies from Wilson's store; and about \$10 from the drug store.

All sorts of means were used in entering the places. The glass in the door of the postoffice was broken and the robbers unlocked the door from the outside. The bolts had been taken off the door at the general store and the door taken off its hinges in order that they might get in. At the drug store, the window, sash and all, was torn off, and at the depot, a window was forced open.

No traces have been found of the robbers and their identity is not known. The postal authorities and railroad company have been notified and police in the surrounding cities are on a sharp lookout for them.

UNITED BRETHREN
MAY BUILD CHURCHSeveral Sites in View, But Nothing
Will be Decided Until Meeting is
Held Here Soon

BISHOP FOUT WILL ATTEND

The United Brethren will probably buy property in the near future for the erection of a new church. Although the members of the congregation have several sites in view, nothing definite will be decided until a meeting which will be held in the near future when Bishop Fout of Indianapolis and Superintendent J. E. Shannon of Marion will be here. The date of the meeting will not be set until further word from the church officers.

The church has been established here since two years ago last January. G. W. Mann of North Sexton street is the pastor of the church.

(By United Press.)

Springfield, Ill., April 5.—Members of the mob which lynched Robert Praeger at Collinsville, Ill., will be punished if their identity can be established, Governor Lowden declared today. If it is impossible, to preserve order through the regularly constituted officers, he said, there is nothing left for him to do but declare martial law.

Collinsville, Ill., April 5.—Robert P. Praeger, 45, alleged pro-German, was taken from hiding in the city hall here early today by a mob of 350 and hanged to a tree two miles from the city. No arrests were made although the lynchers were not masked and were said to have been led by prominent citizens.

Early last night Praeger came to Collinsville after evading a patriotic band at Maryville where he is alleged to have talked socialism and made disloyal remarks. Members of the mob followed and captured him here. He was compelled to march with an American flag draped about his body down the main street, barefooted.

Police rescued him and hid him in the hall basement.

The mob demanded the prisoner and when refused rushed past the authorities and dragging him from his hiding place.

He was led along the old national highway with a noose around his neck. Police followed an hour later and found his body dangling from a tree.

While the mob was storming the jail Praeger wrote his parents in Dresden, Germany this note:

"I must, this the fourth day of April, die. Please pray for me, my dear parents. This is my last letter and testament."

A second note also in German protested his loyalty.

As he was jerked upward on the tree, Praeger pleaded he was loyal to his country.

MAKES PREPARATION
FOR SECOND DRAFTPresident Soon to Issue Proclama-
tion That 800,000 Men Hold
Themselves in Readiness.

WILL START LAST OF APRIL

(By United Press.)

Washington, April 5.—President Wilson is preparing to launch the second great draft of American fighters. He is expected to issue a proclamation this week notifying 800,000 registered men that they must hold themselves in readiness for service.

The first great call to camps of the second draft will approximate 150,000 men—to start moving the latter part of this month. There will be a conspicuous stream of men to camps then under present plans and probably 400,000 will be called before July 1.

Morton Nelson Suffers Broken Nose
and Wounds on His Face

Morton Nelson's face was badly mashed yesterday afternoon when he was caught in the belt of a gasoline engine while working on a farm near New Salem. The farm belongs to Perry Meek of Glenwood. The accident occurred so quickly that Mr. Nelson did not know how he was caught in the flying belt. His nose was broken and the entire face mashed and cut. Aside from a few bruises, his body was uninjured.

\$8,919.77 WAS SOLD IN MARCH

County's Allotment Should Average
\$32,249 Each Month—February
Record \$10,200

Although it is predicted that April will be the biggest month on record for the sales of Thrift stamps and War Savings certificates, March fell far short of the mark set by the government for the county sales and even behind the number sold during the month of February.

During the month of March, \$8,919.77 worth of the stamps were sold in the county in comparison to \$10,200 worth of the stamps sold during the previous month. The county's allotment for the year in the Thrift stamp drive is \$386,980, a quota of \$32,249 worth a month.

Aside from the postoffice sales over the county, the following banks have made sales: Rush County National, \$530; People's National, \$400.50; and the Rushville National, \$300. These sales in addition to those made at the local postoffice make a total of \$1,580.35 worth in Rushville alone.

The report of the sales of the stamps and certificates from the postoffices over the county follows:

ROAD RUNS THROUGH HERE

Representatives of the Minute Man Trail which will pass through Rushville, were here yesterday and stated that the markers on telephone posts would be completed by the first of next week near here and that those of the entire trail would be finished within two weeks. The route follows a historic trail of the Minute Men and is being marked from Liberty through a number of the towns in the state to Farmersburg for the benefit of motorists. The movement was started by the Hoosier Automobile Association and the markers are being made by the Lexington Automobile company.

The road as it passes through here comes from Connersville on the Second street road, turns south at Main and goes out on the Shelbyville pike.

Along Railway From That City
to Amiens

(By United Press.)

Paris, April 5.—A German attack at French positions south of Amiens with 180,000 men nearly half of which were fresh, was wholly frustrated, the French war office reported today. The statement described the enemy casualty as "enormous."

"Thursday night, Germans attack with 15 divisions but failed to reach their objective which, according to captured orders, was the railway from Amiens to Clearmont," the statement said.

"We maintained our line as a whole."

French forces drove the Germans back in the neighborhood of Moreuil and recaptured several important positions to the south.

Shelling German Troops

With the British Armies in France April 5.—Big guns are shelling German troops seen massing on the road south of Albert parallel with the railway from that city to Amiens.

It is not yet apparent whether the Germans will storm the embankment but such an attempt is desired ardently by the British.

South of the Somme the fighting has died down after the German attack toward Amiens on Thursday.

The British along the railroad embankment prevent a westward advance.

British Pressed Back

London, April 5.—Position forces were pressed back to positions east of Villiers-Bretonaux, eight miles west of Amiens in heavy fighting yesterday, Haig reported today.

The British are maintaining their positions.

"Between the Luce and the Somme there was heavy fighting yesterday afternoon and late in the evening," the statement said.

"Strong enemy forces in repeated assaults were beaten off."

"There was active artillery on the northern end of the battle front."

Reward For Allied Spies

With the American Army in France, April 5.—Admiral Bachmann, governor of Kiel has offered a reward of 20,000 marks for the capture of agents who, he charges were sent into Germany by America and England to stir up strikes.

To Close the Dutch Frontier

Amsterdam, April 5.—The German-Dutch frontier will be closed for a week, according to an announcement today.

Swiss dispatches announced yesterday that the German-Swiss frontier would be closed beginning today. The closing of the German frontiers generally have been followed by heavy troop movement in that vicinity.

SHIPS FOR BRITISH

Melbourne, Australia, April 5.—Twenty-seven overseas and 34 coastal ships have been placed at the disposal of the British government, it was announced today.

**The
Food Administration
Says:**

Lots of people have a mistaken impression as to what "food conservation" means. They think it is a plan to help cut down the cost of living for THEM.

Well, it is. But that is not the most IMPORTANT point. The most important point is that "food conservation" is for our Allies. We must send certain foods to our Allies—even if it costs us lots of money to do it. We must send them certain foods at any cost.

"Food conservation" means food SUBSTITUTION instead of plain food saving. True, we must save food, but the most important thing is to eat something else than.

1. WHEAT.
2. MEATS.
3. SUGAR.
4. FATS.

If anybody asks you what good it is going to do THEM to save food tell them that they miss the point. The point is: "What good is it going to do our Allies?"

Like Being Hit By Rattle Snake

Says that every time you cut or pick at a corn you invite lockjaw

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezezone, which the moment a few drops are applied to any corn, the soreness is relieved and soon the entire corn, root and all, lifts right out with the fingers, without one particle of pain. This freezezone is a sticky substance which dries the moment it is applied and just loosens the corn without inflaming or even irritating the surrounding tissue or skin. He says a quarter of an ounce of freezezone will cost very little at any of the drug stores, but this is sufficient to rid one's feet of every hard or soft corn or callus. You are positively warned that cutting or picking at a corn is a suicidal habit.

NOTED LECTURER TO SPEAK

Dr. L. S. Davis Will Talk on Germany Tomorrow Afternoon

Dr. L. S. Davis, who studied three years in Germany and fully understands the characteristics of the German people, will speak tomorrow afternoon at 2 o'clock at the Graham high school on the subject, "The Unbalancing of the German Mind." The lecture will be free.

Dr. Davis is a professor of Chemistry in Indiana University, but his work is so valuable to the cause of winning the war that the State Council of Defense has Dr. Davis as one of the men who are giving all of their time to making a united America.

COMMITTEE MEETS HERE

Prepares Report For Whitewater Presbytery Session Monday

The home missions committee of the Whitewater Presbytery met at the First Presbyterian church here yesterday and prepared its annual report for the spring meeting of the presbytery which will be held at College Corner Monday. The report shows many large gifts for benevolences, but that the greatest effort has been extended on war work. The committee is composed of Dr. W. H. Reynolds of Greensburg, Dr. D. Ira Lambert of this city, M. E. Leffingwell of Connersville and David Wilson of Shelbyville.

COMMENCEMENT DATE SET

Closing Exercises May 31 and Baccalaureate May 26

Sunday, May 26, has been set as the date for the high school baccalaureate sermon. It will be held as usual in the Main street Christian church. The commencement exercises will be held on the following Friday, May 31. The complete program for either of the services, honoring the class of 1918, has not been finished.

—Mr. and Mrs. Claude Beaver of Indianapolis arrived this afternoon to spend the week-end with relatives here.

Miss Gertrude O'Reilly has accepted a position at Chauncey Duncan's law office as a stenographer.

—Franklin Methodist church, preaching at 2:30 p. m. Everyone is cordially invited.

Put Money into the Land.

Occasionally when driving through the country some attractive farm will be passed. Everything is in good shape; there are windmills, there is a silo; the fences are up and the land in excellent tilth. What is the secret of this? The answer always is: "That farmer has put money in his place."

America is a great farming nation, as well as a great manufacturing nation. It is wonderfully prosperous today. There are railroads, bridges, factories, mills, workshops and school-houses. All this shows we have put money into it. But there is today the shadow of war hanging over the entire land. The nation is in peril.

Now is the time of all times when money must be put into this land of the free and the home of the brave if it is to remain prosperous and happy. The purchase of Liberty bonds puts your money where it will do the most good in this grave crisis.

Be a Bond Salesman for Uncle Sam.

When you have bought your bond, don't stop. Become a bond salesman for your government and see to it that your neighbor buys a bond. Explain to him that you and he have to do this, as the soldier at the front has to fight.

Russia failed to support its army and its army failed to fight for Russia, and today Germany is taking over thousands of square miles of rich farming and mineral lands, title to which is held by Russians who will have their deeds considered mere scraps of paper by their conquerors. Buy bonds from your government and sell them for it. Make the United States a success instead of a failure, like Russia.

Woman Has Got Back Strength

Feels As Good As She Ever Did Before Since She Tried Tanlac

Mrs. Ida Williams, 421 West Tenth street, Indianapolis was all run down for a long time but since she has been taking Tanlac her appetite has come back and she is a great deal stronger.

"I scarcely had my appetite at all before I took Tanlac and the little food I did eat caused my stomach to fill up with gas, Mrs. Williams said. "It made me feel uncomfortable.

"I got weak, too, and it was all I could do to drag about the house. I didn't sleep very well at night, either, because of nervousness.

"I heard that Tanlac was a good tonic and I started taking it. It brought back my appetite in fine shape and I finally got so I could hardly get enough to eat. Then I started getting back my strength and I am really feeling strong now. I sleep good at night now, too, and I think that my health is as good as it ever was before."

Thousands of men and women take Tanlac each spring to get their systems back in shape after the winter. Tanlac tones up the whole system and brings a healthy appetite and a stronger body. You can get Tanlac at F. E. Wolcott's Drug Store or any other good drug store. (Adv)

Will You **HELP** Bring Back The Boys of This Community?

Our boys, the boys from this town and this county and this state, are fighting the Huns. They are in the trenches in France, they are sailing the U-boat-infested seas, they are going "over the top" in the face of German cannon and machine gun fire.

Many, many more of our boys are now training and will soon be in France, and more are yet to be called.

And, remember, these are our boys; those who are near and dear to us. They are doing their **ALL**. They are giving their **ALL**. They are prepared to make the extreme sacrifice that our homes, our town, our nation, may escape the ravages of the Hun.

We want them—one and all—to come back to us—

Will You Help to Bring Them Back?

Will you help to provide them with the things they need, with clothes and food and munitions, that they may complete as quickly as possible the terrible task assigned to them?

Will you support our boys while they are fighting for us, fighting the German autocracy that seeks to destroy our ideals of liberty and justice?

Compared to their heroic sacrifice our part is but small—that of providing the funds to keep them equipped; to build and man the ships that will transport their food, their clothes, their guns and their ammunition, and to pay for these things.

Yes, we, the people of this community, will support our boys.

We will do it by buying bonds of the Third Liberty Loan; by buying all these bonds we can; by making such sacrifices as are necessary to do this. That will be our support for Our Boys.

Mrs. Louis Lambert, chairman of the Rush county registration committee, addressed the members of the C. W. B. M. at the monthly meeting which was held yesterday afternoon in the parlors of the church. The registration was explained after which the cards were distributed among the members for signing.

Mrs. G. P. Manzy had the program in charge, the feature of which was an excellent paper read by Mrs. J. B. Kinsinger on "Negro Missionary Work in the United States." Mrs. Ed Chambers led the Bible study and at the close of the program Miss Mae Taylor played a violin solo. The hostesses served light refreshments at the close of the meeting.

The members of the Grand Club have given up entirely any refreshments for the next three months and instead, each member will give five dollars which will make a fund of fifty dollars or more to be turned over in the near future to Red Cross. The idea was suggested by Mrs. George Aultman and was readily taken up by the club members at the meeting held yesterday with Mrs. Phil Wink in North Harrison street. During the meeting, all of the women registered for war service and will report a registration of one hundred per cent from the club. Following the card games, the hostess served a delicious luncheon. The club will meet again in two weeks.

Efforts of the negro in the United States was the feature of the program for the monthly meeting of the C. W. B. M. of the Fairview Christian church which was held yesterday afternoon at the home of Mrs. Emery Hackleman. The paper was discussed by Mrs. Walter Saxon. Mrs. Ora Smith had the program in charge, the other members of which included the Bible study by Mrs. Harley Wycoff, questions and answers by Mrs. Emery Vandeverter, followed by a reading by Mrs. Rhoda Grassman. Mrs. David Collier was assistant hostess at the meeting.

The home of Mrs. Homer Powell in North Morgan street was the scene of a pretty afternoon sewing party yesterday when she was hostess to the members of the Social

Dozen. All of the club members were present and during the afternoon knitting and sewing for the Red Cross was done. At the close of the afternoon the hostess served a dainty luncheon.

The next meeting of the club will be held at the home of Mrs. Jesse Poe, in North Morgan street.

The Always Present class of the Christian Sunday school had a pleasant meeting last evening at the home of the teacher of the class, J. P. Frazee, in North Main street. The members of the class were registered for war work by Miss Rita Gilson who was appointed to take charge of the registration. Miss Sylvia Wolters sang and several other musical numbers added to the pleasure of the evening. Following the business meeting, light refreshments were served.

Miss Mary Ellen Carroll was hostess to the members of the Immaculata sodality last night at her home in West First street. All of the guests filled out the registration cards after which the evening was spent, sewing. At the close of the meeting the hostess served a dainty luncheon. The next meeting will be held next Thursday evening with Miss Maymie Bill, at her home in West First street.

Twenty-eight couples attended the Easter dance which was given last night by the members of the Knights of Pythias in their club rooms. The affair was one of the most delightful of the year and an excellent program of dance music was furnished by the Vaneyce Jazz orchestra of Indianapolis. Among the guests were Mr. and Mrs. A. P. Reynolds of Glenwood and Miss Lucile Ables of Kentucky.

The home of the Rev. and Mrs. Fred Elliott at Springhill was the scene of a pretty appointed dinner party yesterday at noon. The guests included the Rev. and Mrs. John T. Aikin of this city and the Rev. and Mrs. Willard Wylie and son Gordon of Milroy.

The regular meeting of the Eastern Star will be held this evening at 7:30 o'clock at the Masonic temple.

Mrs. Walter Hubbard was hostess to the members of the Thursday afternoon Bridge club yesterday afternoon at her home in West Second street. Guests for two tables were entertained and at the close of the afternoon the hostess served a dainty luncheon. Mrs. Ben Humes will be hostess to the club members at the next meeting which will be held at her home in two weeks.

Guests for two tables of Bridge were entertained yesterday afternoon at the home of Miss Grace Buell, east of the city when she was hostess to the members of the Thursday afternoon card club. At the close of the afternoon the guests enjoyed a dainty luncheon. The next meeting will be held in two weeks with Mrs. Frank Calt at her home in North Perkins street.

The meeting of the Little Flatrock Missionary society was held yesterday afternoon in the church. The meeting was called promptly at 2:30 and following a short business session the guests enjoyed an interesting program given by several of the members of the society under the leadership of Mrs. Paul Morris. The next meeting will be held in a month.

Mrs. Charles Combs of Glenwood was hostess to the members of her Embroidery club yesterday afternoon at her home in Glenwood. Most of the club members were in attendance and the afternoon was spent in a most pleasant manner. Kitting and other war relief work was done and at the close of the meeting the guests enjoyed a delicious luncheon.

Honoring Mrs. Clifford Harecourt, formerly Miss Carrie Brown who resides south of the city, Miss Clara Archey entertained at her home last night with a miscellaneous shower. The rooms were decorated with a profusion of red and white roses and carnations and at the close of the evening the hostess served a prettily appointed luncheon.

Miss Lois Ethel Steffy will entertain the members of the Busy Bee Sunday school class of the First Baptist church at her home, 937 North Harrison street, tomorrow afternoon. The business meeting will begin at 2:30 after which the guests will spend the remainder of the afternoon socially. A good attendance of the members is desired.

At the meeting of the Cross Country club which was held yesterday afternoon at the home of Miss Bessie Morris, north of the city the guests spent the afternoon doing sewing for the Red Cross, several towels being hemmed in addition to knitting.

The next meeting of the club will be held in two weeks.

The members of the Psi Iota Xi sorority were entertained last night at the home of Miss Leah Flint in North Perkins street. A short business session which marked the opening of the meeting, was followed by a social evening at the close of which the hostess served a dainty luncheon. The next meeting will be held in two weeks.

LEARNS ACROBATIC STUNTS IN THE AIR

Cadet Stacy Hinkle is Flying at Ellington Field, Texas, Having Finished Preliminaries

FLIES AT HEIGHT OF 3,000 FEET

Cadet Stacy Hinkle, a student officer in the United States flying corps, has been transferred recently from the field at Camp Dix, Texas to the Ellington field, having completed the primary work of a cadet flier.

Cadet Hinkle, who is the son of Mr. and Mrs. Charles Hinkle of this city, has been most successful in his training for a flier and is progressing rapidly. He has completed both the ground school work and the primary work or the first steps in a flier's career.

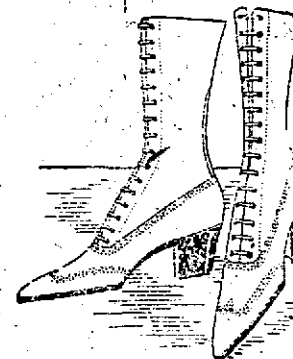

He is spending ten hours in the air daily, according to recently written letters, where he is learning numerous acrobatic stunts under the direction of competent training officers. "While flying at a height of 3,000 feet," declared Cadet Hinkle, "we can see the Gulf of Mexico from the field."

WATCH YOUR KIDNEYS

Inhaling the fumes of turpentine and white lead often weakens the kidneys. That's one reason why so many painters have bad backs and sick kidneys. Exposure and frequent colds and chills help start the trouble.

If your back aches, if sharp pains strike you in the back when stooping lifting or working; if you have headaches, dizziness, rheumatic pains; if the urine is discolored or passages painful and scanty, try Doan's Kidney Pills, the remedy so widely used and so well recommended by men in the painting trade. Here's Rushville testimony:

Charley Walker, 1023 N. Arthur St., says: "I work where a lot of turpentine is used and the fumes got my kidneys out of order. My back gave me the most trouble and was aching and lame and stiff. The kidney secretions were too frequent in passage and highly colored. I decided to try Doan's Kidney Pills and got a box at Lytle's Drug Store. They surely helped me and gave me quick relief. I have a lot of faith in Doan's Kidney Pills and shall use them again if I need a kidney medicine."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Walker had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Adv.)

TRAINING CAMPS NEED TEXT BOOKS

This is Call of Library Commission, Miss Mary Sleeth Learns at District Meeting

SOLDIERS ANXIOUS TO STUDY

Rushville Library is Complimented in Several Ways by State Library Inspector

High school and college text books—this is the call being made now by the library commission for the supplies to be sent to army training camps over the country. The demand for text books that is being made by the soldiers and sailors was cited by William J. Hamilton, secretary of the state library commission for camps, at the district meeting of librarians held in Richmond this week which was attended by Miss Mary Sleeth, local librarian.

Mr. Hamilton has visited the libraries of every training camp in the country before making a call on the American people for the books that the soldiers most need. The recent contributions of books has practically supplied the demand for fiction and now comes the call for school books. Mr. Hamilton stated that he had seen as many as four soldiers sitting on the floor trying to read and study from one Geometry and that the demand for other text books was just as great. He said that the camp libraries were always packed with Sammies, eager for books. Persons who will contribute text books from high schools and college courses are urged to take them to the public library in the near future and they will be sent to the proper places.

During the report of the state library inspector at the district meeting, the Rushville library was complimented in several ways. The fact that the library had an ideal location was mentioned; also the large number of men readers which patronized the library was mentioned as being unusual and very commendable. In many places the number of women readers overbalances that of men and for that reason the local condition was noticeable.

FRANK MUIRE AT CHICAGO

Frank Muire, son of Mr. and Mrs. G. C. Muire, who enlisted several weeks ago in the navy, has been sent to the Great Lakes training school at Chicago for a three months training course before he begins actual service. He left the station in Indianapolis yesterday evening together with 187 other Indiana boys.

Union and Washington Townships Report Appointments in County War Organization

FOUR DISTRICTS IN EACH

Washington Organizes Completely With Workers in Every One of the Departments

Two more townships have reported their war organizations which will be a part of the entire county's war working machine. The latest townships to report are Union and Washington.

The Union organization which has been reported so far covers the township in each of the four districts for the Liberty Loan drives. In district number one, Erhan Vickery and Emory Vandevender have been appointed; in district number two, Harry McMillan and Fred Bell; in district number 3, Jesse Brooks and Marshall Blackledge; in district number four, William Martin and Marshall Hinchman, Sr. For the Glenwood corporation, Rolland Murray was named.

The complete Washington organization was reported with workers for each of the departments. Dr. C. L. Smullen is chairman of the township committee and Mrs. Lorene Miles is secretary. The Red Cross organization was named as follows: chairman, Dr. C. L. Smullen; northwest district, F. J. Martin; northeast, Will Cole, Mrs. Hazel Bridgeman; southwest, Dale Hollowell, Ben Ertel; southwest, Dannie Rea, Fred Lightfoot.

The Liberty Loan organization consists of: chairman, Omer Greenwood; northwest, Luther Martin, northeast, Fred Bell, Charles Bateman; southeast, Dave Kirkpatrick, William Jackson; southeast, Park Scott and Will Knecht Jr.

Mrs. Lorene Miles is chairman of the Y. M. C. A. work with the following co-workers: northwest, Mrs. Jack Hall, Mrs. Wayne Werking; northeast, George Sweet, R. K. Sharp; southeast, May Laughlin, Jake Gross; southwest, Mrs. Fannie Glidden, Lynnea Hayes.

E. L. Aiken was appointed as the member of the Home Service committee from the township.

Rheumatism Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenru, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenru has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitious and where the patient was helpless.

Allenru relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives rheumatic poison out of the body through the kidneys and bowels.

It's marvelous, how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenru, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenru decisively conquers this worst of all diseases, and he has instructed pharmacists to guarantee it in every instance. Farm Home Architecture

First Prize Awarded in Planning Contest Conducted by the University of Wisconsin College of Agriculture

Farmhouses designed with due consideration to the woman who must spend most of her time and energy in the fine art of home making are becoming more and more the rule.

In order to stimulate greater interest in this line, the University of Wisconsin College of Agriculture recently held a farmhouse planning contest, open only to people who were living or had lived on farms. The Northern Hemlock and Hardwood Manufacturers' association not only offered prizes for the best five plans, but promised to back the College of Agriculture in a move to erect a convenient and comfortable practice farm home on the university grounds. The best idea from all of the better plans in the contest will likely be drawn upon for suggestions in drafting the specification for the proposed building.

Business and home needs are combined in the plan shown. The perspective of the plan shows it to be of a neat and attractive cottage type, with an extra wide cornice as an additional feature of distinction. The

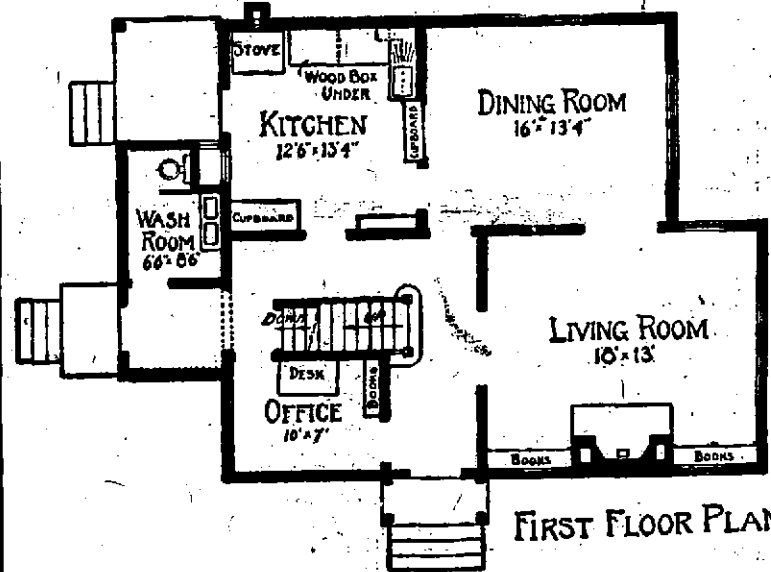

Neat and Attractive Cottage Type.

latter element is, of course, a matter of exterior design and can be modified. The floor plan works for "sanity first." On entering the front door, one can either pass into the living room for a chat with the mistress of the house or step aside to the office just off the entrance to the left, where father is busy with his accounts and sales records—but not too busy to stop and smoke a pipe with a guest.

From father's den a door to the left leads directly to both the outside porch and cellar. Note that father will get, as he should, light on his desk from over his left-hand shoulder.

The main stairway leaves the entrance hall just opposite the living room door—which, if desired, may be a "cased opening." The living room, lighted by five windows and made cheery by a fireplace, is 18 by 13 feet in dimensions, giving plenty of room for the family and company. Just off the living room, relieved from stiffness by a "jog" which admits of a window opening to the rear, is the dining room. This room and the kitchen have many features of merit and are worth studying when planning a new farm home. The cup-

board in the wall between the two rooms is there, and the arrangement of the stove, work table, sink, and other equipment tends to carry out the general scheme of convenience. Note the washroom and men's toilet on the rear porch, to save tramping and splashing indoors.

The expense of building this house depends wholly upon labor and materials, of course, and it would not be safe to estimate from the designs submitted.

Crisp and clean-cut lessons on what the farmer's family most needs to make a more ideal form of house design have been gleaned by glancing over a number of the suggestions sent to the Wisconsin home planning contest committee.

Almost without exception the women who submitted plans have had and soft running water connections in the house as the most important of all farm-home comforts, followed by furnace heat, sewage disposal, and electric lighting. Nearly all would have dining room and living rooms separate. The majority also seemed to want built-in china closets and bookcases, and in some cases cupboards as part of the equipment. Only a few of the women seemed to desire a small kitchen—that is, one less than 12 by 14 feet. Only three suggested 9 by 14 feet or less.

Stomach Misery

Get Rid of That Sourness, Gas and Indigestion

When your stomach is out of order or run down, your food doesn't digest. It ferments in your stomach and forms gas which causes sourness, heartburn, foul breath, pain at pit of stomach and many other miserable symptoms.

Mi-on-na stomach tablets will give joyful relief in five minutes; if taken regularly for two weeks they will turn your flabby, sour, tired, out stomach into a sweet, energetic, perfect working one.

You can't be very strong and vigorous if your food only half digests. Your appetite will go and nausea, dizziness, biliousness, nervousness, sick headache and constipation will follow.

Mi-on-na stomach tablets are small and easy to swallow and are guaranteed to banish indigestion and any or all of the above symptoms or money back. For sale by Johnson's Drug Store and all leading druggists. (Adv.)

M. F. LOVETT CALLED TO STATE CONFERENCE

County Food Administrators Will Meet Next Week to Thrash Out Troubles

J. W. HALLOWELL WILL SPEAK

M. F. Lovett of Carthage, federal food administrator for Rush county, has been notified of a conference of food administrators which will be held with the state administrator, Dr. H. E. Barnard at the Claypool hotel in Indianapolis next Monday and Tuesday. In addition, the merchants' representatives and all others connected with the food administration are invited. Hugh Manzy is the merchants' representative here. The conference will be addressed by J. W. Hallowell, chief of the State Administration Service of the federal food administration. Mr. Hallowell is closer to Herbert Hoover in the work of the food administration. Dr. Barnard announced,

WOMEN ARE NEEDED TO HELP IN WAR

Women can be usefully employed in nursing the wounded, in making up the soldiers' kits, and in a thousand other ways. Many American women are weak, pale or anemic from woman's ill. For young girls just entering womanhood; for women at the critical time; nursing mothers and every woman who is "run-down," tired or overworked—Doctor Pierce's Favorite Prescription is a special, safe and certain help. It can now be had in tablet form for 60 cents. All druggists. Send Dr. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., 10c for trial package tablets.

George, Ind.—"When I was a young girl just coming into womanhood I suffered greatly. This caused me to become all run-down, weak and nervous. My mother gave me Dr. Pierce's Favorite Prescription and I have never been troubled since. I am now the mother of four strong, healthy children and I have always taken this medicine during pregnancy and afterward to give me strength, which it always did. I consider I was very fortunate in knowing of 'Favorite Prescription.'—Mrs. Mary Goss, 615 South 11th Street, Loganport, Ind.—"My husband and I are both enthusiastic users of Dr. Pierce's Pleasant Pellets. We have found them to be extremely beneficial in relieving us of sick headaches, indigestion, liver and constipation. They are truly small, but always effective. I am very glad indeed to recommend the 'Pellets' to anyone in need of such medicine.—Mrs. C. E. Struble, 421 Burlington Ave.

NO MORE CATARRH

A guaranteed Treatment That Has
Stood the Test of Time

Catarrh cures come and catarrh cures go, but Hyomei continues to heal catarrh and abolish its disgusting symptoms wherever civilization exists.

Every year the already enormous sales of this really scientific treatment for catarrh grow greater, and the present year should show all records broken.

If you breathe Hyomei daily as directed it will end your catarrh, or it won't cost you a cent.

If you have a hard rubber Hyomei inhaler somewhere around the house, get it out and start it at once to forever rid yourself of catarrh.

Johnson's Drug store, or any good druggist, will sell you a bottle of Hyomei (liquid), start to breathe it and notice how quickly it clears out the air passages and makes the entire head feel fine.

Hyomei used regularly will end catarrh, coughs, colds, bronchitis or asthma. A complete outfit, including a hard rubber pocket inhaler and bottle of Hyomei, costs but little. No stomach dosing; just breathe it. It kills the germs, soothes and heals the inflamed membrane. (Adv.)

December 27th, 1917.

Dear Sir:

You are right when you say in yours of December 24th that Senreco is a remarkably good tooth paste and that it has a strong story to tell, but the difficulty lies in putting that story in such language as will convince the public.

The Senreco story of a medicinal paste that not only cleanses the teeth but also keeps mouth and gums healthy, when put on paper does not sound very different from the story of just any ordinary dentifrice.

For that reason we make every effort to get the people to try Senreco. After that Senreco tells its own story - and fully 90% of them are Senreco users and boosters from then on.

There is a Senreco user in Pittsburgh who has introduced our product into the families of thirty-four of his friends. Enthusiasm? No, not entirely. Simply a case of Senreco making good. It is just as stated above. If they will try Senreco - if they once become acquainted with a real dentifrice - with what a dentifrice can and should be - they are Senreco boosters from that time on.

Your druggist or toilet counters can supply you with Senreco. It comes in large, two ounce tubes and retails at 25¢.

Why not get a tube to-day? Try it. We stand behind every package of Senreco with a money-back guarantee.

Very truly yours,
SENRECO,
CINCINNATI.
